

## LRP LiPo Hyper Pack 4000 - 7.4V - 25C - Stickpack Hardcase

LRP LiPo for Newcomers! With the new LiPo line everybody can profit from the extraordinary battery technology from the LRP factory.

The new fresh blue newcomer sets a new benchmark among stickpacks. Exceptional strong power and long runtime together with lowered weight - this high-performance battery has the same potential as its expertline counterpart. The cell is mounted in a durable hardcase made of high-quality synthetic material for maximum safety. The LiPos at the same time feature the same dimensions as standard 6-cell Sub-C stickpacks for an easy and flexible application. With vertical bulges on the back side of the hardcase, the battery fits perfectly into any chassis and ensures to be kept stable on its position in any situation.
