

LRP-HPI 17T Challenge Motor

Tuning made easy! With these special motors, LRP offers you custom tailored solutions for your R/C car. These power units have been specially tuned to suit each vehicle type and application. Based on their bestselling predecessors, all our "specialists" motors are redesigned to offer even more driving fun and action.

The LRP quality factors:

- Plug in and drive! All motors come fully prewired and ready to run straight out of the box.
- WET magnets, replaceable motor brushes and springs
- Soldered-on suppressor capacitors
- Suitable for all R/C cars
- Can be used with original kit gear ratio
