

#430413

ANTIX by LRP 3100 - 7.4V - 50C LiPo Car Stickpack Hardcase - Tamiya Plug

LiPo power at a budget price from LRP.

This LiPo hard case battery in NiMh stick pack form is 134 mm long (W: 46.0 mm, H: 24.0 mm) and has an off-centre cable outlet that is protected by a rubber grommet.

Ideal for replacing NiMh stick packs with the latest battery technology!

Many chassis were and still are designed for this original stick pack battery shape, even for the newly released vintage models.

The 50C high-performance batteries are available with all common connectors and an XH balancer connection.

If you want to get the best out of your car, then this is the battery for you!

!! Play Hard - Bash Hard !!
