LiPo Flight Battery 650 - 25C - 3.7V

More power and longer flight time!

By using a LRP LiPo tuning battery for your helicopter, you can enjoy a significantly extended time in the air. More flight fun is guaranteed. The new batteries are the right choice, no matter if you're beginner or expert level pilot.

LRP's LiPo helicopter batteries are made from specially selected high-value materials. Therefore, they feature a long lifetime and best reliability. Their key advantage is the higher capacity compared to standard batteries.
