LRP S10 Blast SC 2 Non-RTR - 1/10 4WD Electric Short Course

Faster, more rugged and more durable – the new S10 Blast SC 2 comes to the track also in the Non-RTR version. Numerous updates result in even more action and driving fun.

S10 Blast SC 2 – the Short Course Truck that is ready for toughest action! Numerous updates make the model now even better and more robust. From the smallest screw to the drive train, a special focus has been put on stability. Reinforced materials and many new improvements in detail stand for a perfect durability of the model.

The complete drive train – beginning with the slipper – has been revised and also the gear has been adapted. New shocks with shock membrane make the chassis more agile.

S10 Blast SC 2 – the electric Short Course Truck for every terrain.
