LRP S10 Blast SC 2 RTR 2.4GHz - 1/10 4WD Electric Short Course

Faster, more rugged and more durable – the new S10 Blast SC 2 comes to the track. Numerous updates result in even more action and driving fun.

S10 Blast SC 2 – the Short Course Truck that is ready for toughest action! Numerous updates make the model now even better and more robust. From the smallest screw to the drive train, a special focus has been put on stability. Reinforced materials and many new improvements in detail stand for a perfect durability of the model.

The complete drive train – beginning with the slipper – has been revised and also the gear has been adapted. New shocks with shock membrane make the chassis more agile. Due to the new splashproof electronics and servo, drivers can enjoy drive fun without frontiers with this 4WD truck.

S10 Blast SC 2 – the electric Short Course Truck for every terrain.
