Nitro Engine ZR.32X Spec.4 Competition

The new monster competition engine!

The latest addition to our high-end Nitro competition engine line is also the most massive. It offers torque that you'll hardly be able to handle. The XTEC PowerCarb3 15S-2 carburettor was designed to for maximum power and easy adjustability at the same time.The cooling head's new cooling fan arrangement will create improved cooling and consequently higher efficiency.

The engine fits all major 21. Engine mounts and the standard burn room guarantees easy adjustment of the engine in all conditions.

All LRP ZR.32X Spec.4 engines come equipped with a free LRP Platinum / Iridium R5 glow plug.

FEATURES

- MASSIVE Big Block size - You cannot replace displacement with anything… but even more displacement!
- New CoolDownMax cylinder head - Improved cooling and higher efficiency through new cooling fin arrangement
- XTEC PowerCarb3 15S-2 carburettor - Thermal protected carburettor with 7.5mm, 8.5mm and 9.0mm inserts for maximum power and easy adjustability at the same time
