S10 Twister 2WD SC Truck - 1/10 Electric 2WD SC Truck Non-RTR

Thrilling electric short course action!

The S10 Twister SC is ready for thrilling Short Course action. Due to its powerful 2WD drivetrain, great fun is guaranteed. Basis is the robust S10 Twister line mainframe concept, specially aligned to the Short Course version. Longer wheelbase, more spring travel and truck typical tyres and wheels result in its unmistakable look as well as its great and balanced handling.

The use of a special synthetic material guarantees the necessary stability and adequate flexibility. LRP's Twister SC is perfectly prepared for toughest offroad challenges. It is the perfect 1:10 scale 2WD truck for beginners and hobby drivers.

Stop Press:

The LRP S10 Twister SC wins the title at the LRP-Offroad-Challenge final in Burgdorf in its debut race!
