

Lautenbach Racing Products GmbH is a leading, internationally active company in professional R/C model making in Schorndorf. With a passion for innovative technologies and the highest quality, we develop high-grade RC products.

Would you like to become part of our design team? We are looking for creative reinforcement!

We are expanding our team and are looking for a passionate

Media Designer (m/f/d) part-time or as a working student,

to help shape our visual identity and bring our products to life with appealing graphics.

Your tasks:

- Maintaining and designing website elements in Wordpress and Typo3
- Social media management: creating posts, responding to inquiries, creating and editing videos
- Image editing
- Image retouching
- Designing print products and instructions

Our requirements:

- Graphic design, a completed apprenticeship or currently studying, or comparable qualification
- Sound knowledge of the Adobe Creative Suite (Photoshop, Illustrator, InDesign)
- Knowledge of After Effects/Premiere Pro desirable
- Experience in the design of print and digital media
- Creativity, inventiveness and a flair for aesthetic design
- Team player and the ability to work effectively in a dynamic environment
- Written and spoken English
- Ideally expertise in the RC sector

We offer:

- Exciting and innovative projects in a professional RC company
- Development opportunities

If you are passionate about working with graphics, love creative solutions and are ready to make our brand shine through your design, we look forward to hearing from you. Send us an e-mail with your application documents, including references, to:
